MGBOLU DAVID AWELE

Finance & Economics Graduate | Financial Reporting · Budget Analysis · Market Research

07063225956 | jahydendavies@gmail.com | Lagos, Nigeria

PROFESSIONAL SUMMARY

Detail-oriented Economics graduate with hands-on experience in finance support at a leading marketing communications agency and over two years driving performance-led digital and affiliate campaigns. Experienced in financial reporting, budget monitoring, compliance checks and market forecasting, with a strong ability to turn data into clear, actionable insights. Seeking an entry-level to junior role in finance, financial analysis or accounting where analytical rigour and a results-driven mindset can support sound business decisions.

WORK EXPERIENCE

Affiliate Marketer, Digital Marketing & Content Creation **Jul 2024 – Aug 2026**

Oraimo Accessories *Lagos, Nigeria*

- Tracked campaign spend, conversions and sales data to measure return on investment and guide budget reallocation to the best-performing channels.
- Built and maintained performance reports on traffic, conversion rates and affiliate revenue, presenting findings to support data-driven decisions.
- Recruited, onboarded and managed a network of affiliate partners, monitoring commissions, engagement and output to maintain campaign performance.
- Conducted market and competitor research on pricing, customer preferences and trends to identify growth opportunities for consumer electronics products.
- Planned and executed digital campaigns that increased sales, brand awareness and customer engagement; collaborated with influencers to widen audience reach.
- Created and promoted product content across social media and digital channels, and supported CRM activities to drive loyalty and repeat purchases.

National Youth Service Corps (NYSC) – Corps Member **Apr 2023 – Apr 2024**

- Completed the mandatory one-year national service (certificate obtained), building discipline, adaptability and teamwork through assigned duties and community development projects.

Finance Intern **Jan 2022 – Jan 2023**

Havas Nigeria *Lagos, Nigeria*

- Assisted with compliance checks and internal audit activities, reviewing records and documentation to ensure financial accuracy and adherence to accounting standards.
- Supported budget monitoring and resource allocation for client marketing campaigns, flagging variances and highlighting cost-saving opportunities.
- Helped prepare monthly financial reports and management presentations summarising key performance metrics, trends and insights.
- Conducted economic and market research, including basic forecasting, to identify business opportunities and potential financial risks.
- Supported day-to-day finance operations such as reconciliations, expense tracking, invoice processing and record keeping.
- Worked with finance and marketing teams to analyse and resolve budget- and reporting-related issues promptly.

EDUCATION

BSc Economics **Nov 2017 – Feb 2022**

Tai Solarin University of Education, Ijagun, Ogun State

- **Final-year research:** "The Impact of Inflation on the Economy and How the Government Can Support the Labour Force" – analysed inflation trends and their effect on employment, wages and purchasing power, and proposed policy responses.
- **Relevant coursework:** Financial Accounting, Public Finance, Monetary Economics, Statistics, Econometrics, Microeconomics & Macroeconomics.
