MARKETING · WEEKLY UPDATE · 19 TO 23 OCTOBER

Last week at Rank

Happy Hour, users and savings, the Money Circles push, and what's next for the Circles app.

01 · HAPPY HOUR

Happy Hour is still beating the old monthly number

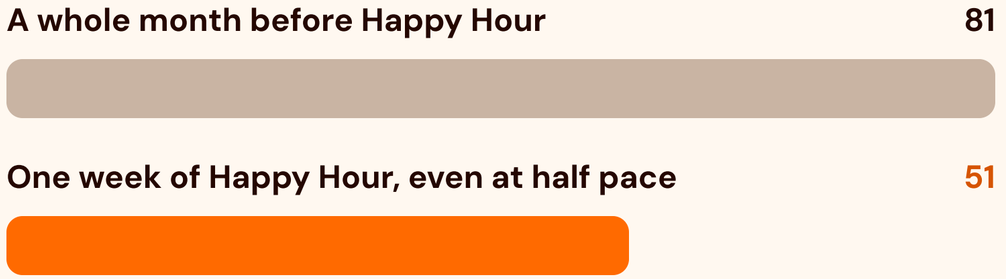

LAST WEEK

51

people made airtime and data transactions

↓ 50% on the week before, due to service provider issues

Before Happy Hour, for context

Even in a slow week, Happy Hour did more than half of a full pre-launch month. Once the service provider issues are fixed, volume should recover.

Active, new and upgrading

ACTIVE ACCOUNTS

398

NEW USERS

54

new users. Sign-ups dipped on the week before while our retention SMS was paused.

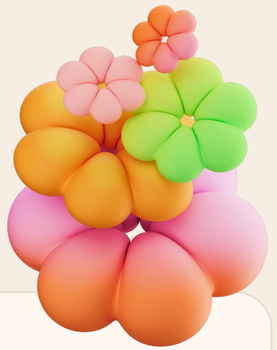

TIER 1 → TIER 2

36

users moved up a tier last week, and we're still on course to move more.

03 · SAVINGS

What people saved last week

RESERVE

₦2,915,000

12 people saving in Reserve

24 savings deposits

₦2,284,493.20 transaction volume

GOALS

04 · RETENTION

Email open rate beat its 25% goal

WEEK BEFORE

18%

→

LAST WEEK

31%

Goal: 25%. Beaten by 6 points.

We tested a few approaches and found what works on the platform, and the better open rate is feeding our retention drive.

Always on

Our regular emails and push notifications went out as planned all week.
